Huge Showroom—Ample parking

At Always Invited Event Rentals, we have combined the most **essential** items into packages, all without expecting our clients to be bound by the constraints of having to take only what is offered.

While we know not everyone has the same taste, clients do like the **simplicity** that the packages offer. Although the packages are simple they do not lack variety.

All of our packages will give you the **option to choose** your plate style, cutlery design, glass size, and linen colors.

We feel that you are **unique**, our packages are completely customizable and will reflect **your own personal style**.

We have also done the calculations that will sit guests comfortably.

At the round tables you can **squeeze in another two more settings**, but we recommend not doing that. We invite you to our showroom to view what the seating would **actually** look like and your decision will be an informed one.

No need to upgrade—The choice is yours. And rest assured **all** of our pieces are **top quality** china and the highest grade of 18/10 stainless steel.

Linen is not catering quality and drops to the floor.
Tables are the new industry standard, lightweight durable resin.

No one can resist **great discounts** and these packages deliver that and more.

The ELITE with Tent

The EXCLUSIVE with Tent

1640 sq ft

Hex 34 x 40 with 10 x 20 and 20 x 20 configuration

When considering renting tents there are a number of factors that you should consider.

Seating at tables is something that should be well thought out. If you are having a sit down dinner then you should have enough chairs at the table to accommodate.

At Always Invited Event Rentals our packages have been calculated to provide a place at a table for **everyone**.

There is limited amount of space and we suggest allowing guest some elbow room.

We have also done the calculations that will sit guests comfortably.

72" round table seat 10 (can seat up to 12)

60" round table seat 8 (can seat up to 10)

At the round tables you can **squeeze in another two more settings**, but we invite you to our showroom to view what the seating would **actually** look like and your decision will be an informed one. The extra settings are easy to add to any package you choose.

8' rectangle table seat 8

6' rectangle table seat 6

You also have the option of side walls, French Window or Solid.

The tents are delivered, set up and taken down as part of the package. Be sure that you have enough space for tent. If you have a septic field, sprinkler systems or any other underground obstruction, it is important to know their location as the tent pegs are approximately three feet long. Also if there is any overhead obstructions like trees or wires. Always Invited can provide a site visit for an additional fee.

The Dance Floor is the responsibility of the renter to assemble and disassemble. Always Invited staff can assemble and disassemble the Dance Floor for an additional fee. However, our floor is an easy snap lock system that requires no tools. To set up, first the floor **must** be placed on a level surface, a subfloor is provided at no extra cost if being used on an outside ground. If being used outside the Floor **must** be under cover.

The Tent Rope Lighting install is the responsibility of the renter, we will take down. For a fee Always Invited can install.

A Delivery Fee is applied to packages and charges vary with destination and amount of items.
