FAQ

When should I make my reservation?

For large events and tents, we suggest you call as soon as you have determined your guest list. We carry a large inventory, however we are unable to predict who will rent what and when. Early planning is critical to product availability. All our rentals are on a first come first served basis.

Can we pick up rental items?

Yes, we offer pick up or delivery, please call for more details.

How long can I keep the items I rent?

Rental rates are based on a 3 day rental—the day before your event, the day of your event, and returned the next business day following your event. Extra days are available, please call for more information.

What is the payment policy?

All reservations require a 50% deposit and a credit card number on file. Payment in full is required before rentals leave warehouse. We accept Cash, Visa and MasterCard.

Can I change or cancel my reservation?

Reductions and cancellations are permitted up 14 days prior to rental date with full refund on amended items. Tents require 30 day notice. Full rental cost is charged if cancellation occurs less than 14 days prior to rental date.

Are there any extra charges?

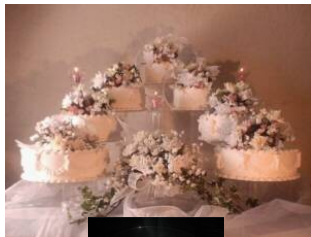

A valid credit card is kept on file for all rentals. The renter is responsible for all items from the time they leave the warehouse until they are returned. The renter is responsible any or all damaged or missing item, any extra cleaning charges and late returns.

About Us

We are proud to be a family owned home based business. In 2009 we came across an opportunity to organize an event for over 200 people. As we did, we came to realize that there was a need in the Comox Valley for more décor options than were available.

Having been life long residents we have discovered what a beautiful place we are fortunate enough to call home. The beauty that surrounds us is an invitation to endless possibilities for locations of your event.

Whether your event is indoors, outdoors, rented space or the privacy of your own home, we are committed to giving you quality supplies and excellent service. We are happy to help you prepare for your event, celebrate a wedding, or mark every occasion from birthdays to corporate events.

We invite you to call for a free consultation to determine the best fit for your budget and event needs.

After all, the only "surprise" at a party should be the surprise party. Our goal is for you to enjoy your special event.

These tables are an unfinished wood, we highly recommend covering these tables with linen.

Recommended linen base is 90" round, to the floor. A 60" or 72" overlay always adds a classy touch.
